

## Half Termly Curriculum Overview

### Year 6 – Spring 2

English	Maths
<p>In Writing, we are writing 'Tales of Fear and persuasive letters stories.</p> <p>Our class reading book will still be 'The Nowhere Emporium' by Ross Mckenzie</p>	<p>In Maths, we will be learning the relationship between fractions decimals and percentages, looking at algebra and statics and finally perimeter, area and volume.</p>

Science	Geography
<p>In Science, our unit this half term is all about light – the way it travels in waves and reflects off different objects.</p>	<p>In Geography, we will be learning about Global Trade</p>

Design & Technology	PSHE
<p>This term, we will be designing and making a scented lavender pillow.</p>	<p>In PSHE this half term we will be focusing on Healthy Me and Drug education.</p>

PE	Computing
<p>In PE this half term, we will be looking at Health related exercise.</p>	<p>In Computing we will be looking at data and how to present this information.</p>

RE	Spanish
<p>In RE, our unit is our global community, responsibility and justice.</p>	<p>In Spanish we will be continuing Welcome to school and My Town, your town</p>

### Useful information

- **Make sure you 'drop everything for ten' and support your child by reading at home for ten minutes every day. Please help your child record their reading in their reading diary. Reading diaries are checked daily.**
- **Times tables fluency is essential for children to learn. Please encourage your child to use TT Rockstars. Ten minutes each week is an expectation to support their speedy recall of tables facts and helps complete Maths homework.**
- **Support your child in completing their homework which comes home every Friday and needs to be returned the following Wednesday.**
