Attendance Matters
On time, every time.

95.5%

Well done – let's get to 96%

Drop everything for 10 minutes and read with your child every day!

Talk to us if you have any worries or concerns.

Party Time!
What a great time our pupils had at our disco to start the summer term! Good fun was had by all, with plenty of prizes for great dancing and plenty of glitter! This event raised over £300 to provide books for our pupils to read in school. Thank you to all those who supported this event.

Respect & Inspire: Year 3 get reflective
Our Y3 pupils visited the Fiveways Centre last week, learning all about the Islamic faith. We are the first school group to visit the centre and the children behaved impeccably, showing respect for different beliefs. The pupils gained so much from experiencing first hand all they've been learning about.

Achieve & Inspire: Year 5 go to University!
Our Year 5 pupils visited the University of Nottingham last Wednesday. It's really important to us that our children aspire to the best they can be and know that anyone, including them, can go to university and study to a high level. Our pupils learnt about computer science with this cool robot dog & explored the campus! We know they all did plenty of walking… and learning!

School uniform
The way you order and buy school uniform is changing. We have limited stock available in school to buy and won't be re-ordering uniform to keep at school. To order school uniform (with the Arnbrook logo on) head to this website - Arnbrook Primary School (pbuniform-online.co.uk) – it's quick and easy to order uniform delivered to your door. Do remember that logos aren't required though; any clothing suitable for school life and the right colour is acceptable. Please speak to the office if you need any help.

Please remember these rules when on school grounds:

No dogs are allowed on the school site.

No smoking or vaping on the school site.

Please dismount bicycles and scooters when on the school site.

Please park safely around our school site and be considerate of or local community

Eid celebrations

We know it's a special time of year for many of our families, celebrating Eid. Across the school, we'll be having some Eid themed activities this week and learning about this festival & reflecting on special occasions in all our lives. Eid Mubarak!

Play equipment

A polite reminder that children shouldn't play on the trim trail before or after school, or use any equipment such as footballs or tennis balls, left on the playground. This is for everyone's safety.

COMING SOON: Dates & information for Year 4 & Year 6 residential experiences in 2022/23 academic year!
