

Arnbrook Primary School

Sport Premium Funding Overview 2019/20

This year the government is continuing to provide additional funding to improve provision of physical education (PE) and sport in primary schools. This funding - provided jointly by the Departments for Education, Health and Culture, Media and Sport – is being allocated to primary school head teachers.

The £18,400 that Arnbrook Primary School receives annually over this period is ring-fenced and therefore can only be spent on provision of PE and sport in schools. Schools are free to decide how to spend the grant, but they must be able to show that their spending has led to a “direct and sustained” improvement in sporting provision. The guidance from the DfE and EFA says that schools should use the funding to:

- Develop or add to the PE and sport activities they already offer.
- Make improvements that will benefit pupils joining the school in future years.

Arnbrook Primary School

At Arnbrook Primary School we have developed an action plan in order to continue to improve PE provision and raise achievement for all pupils in sport. Our priorities mean that the funding for 2019-20 will:

1. Increase the range of extra-curricular sports offered across the school and ensure they are well attended.
2. Increase participation and success in competitive school sports.
3. Improve the quality of teaching and learning in PE and sport across the school.
4. Promote and develop children’s understanding of how to live a healthy and active lifestyle through PE & sport.
