

Arnbrook Primary School

Sport Premium Funding Overview 2023/24

This year the government is continuing to provide additional funding to improve provision of physical education (PE) and sport in primary schools. This funding - provided jointly by the Departments for Education, Health and Culture, Media and Sport – is being allocated to primary school head teachers.

The £17,680 that Arnbrook Primary School receives annually over this period is ring-fenced and therefore can only be spent on provision of PE and sport in schools. Schools are free to decide how to spend the grant, but they must be able to show that their spending has led to a “direct and sustained” improvement in sporting provision. The guidance from the DfE and EFA says that schools should use the funding to:

- Develop or add to the PE and sport activities they already offer.
- Make improvements that will benefit pupils joining the school in future years.

Arnbrook Primary School

At Arnbrook Primary School we have developed an action plan in order to continue to improve PE provision and raise achievement for all pupils in sport. Our priorities mean that the funding for 2023-2024 will:

1. Increase the range of extra-curricular sports offered across the school and ensure they are well attended.
2. Increase participation and success in school sports.
3. Improve the quality of teaching and learning in PE and sport across the school.
4. Promote and develop children’s understanding of how to live a healthy and active lifestyle through PE & sport.

2. <i>Increase participation and success in school sports.</i>	<ul style="list-style-type: none"> Schools own data / registers Success in competitions 	The use of funding is intended to: <ul style="list-style-type: none"> Increase numbers of pupils participating in local sports competitions. Engage with our Local Sports Partnership. Improve links with other schools. Increased success in local competitions. 	<ul style="list-style-type: none"> Partaking in the local schools football league Prizes for competitions within school. Minibus hire to travel to events if required 	Free £200 £200	1. Increased pupil participation 2. Extended provision 3. Improved positive attitudes to health and well-being and Physical education and school sports (PESS) 4. Clearer talent pathways
<ul style="list-style-type: none"> This year there is no membership fee for taking part in the local schools football league due to the group having an excess this year. We joined the football league and participated in all our matches. This is the first time back in the league properly since the covid-19 outbreak. Next academic year we are aiming to arrange some girls football matches after discussion with pupils who showed enthusiasm.
